Keywords: Antimicrobial, Antioxidant, Anti-Cancer, (MCF7,HepG2), Phytochemical, Proximate Analysis.

Abstract:**Declarations****Author Informations****PRAVEEN T**

Affiliation: Department of Studies in Botany, Davangere University, Shivagangotri, Davangere - 577007.

Contribution: Writing - Original Draft.

Siddappa B Kakkalameli

Corresponding Author

Affiliation: Department of Studies in Botany, Davangere University, Shivagangotri, Davangere 577007.

Contribution: Writing - Review & Editing.

Acknowledgment

The Authors gratefully acknowledge the P. G. Department of Studies in Botany, Davangere University, Shivagangotri, Davangere, Karnataka. India. Dr. Sudharshan B L Cheliyan Biotech Solutions, Mysore. And Sophisticated Analytical Instrumentation Facility (SIAF), Karnatak University, Dharwad, for providing lab facilities to conduct experiments.

Conflict of Interest

The authors declare there is no conflict of interest.
